

About Us

"We make students of today & good citizens of Tomorrow"

Founded in 2009 and located in a picturesque beauty, The Pacific International Public School is a progressive, leading school in the historic, music and art loving city of Gwalior in Central India, boasting a dynamic and close-knit community of approximately 1000 students from class nursery to Class XII. The school offers and exceptionally rounded education which makes them confident to pressure their dreams so that they can succeed in the future.

Although rooted in values and tradition, PIPS is uniquely innovative and creative, dedicated to fostering curiosity in our students; uncovering and enhancing their passions; and giving them the courage to try new things.

The safe heaven of PIPS allows students to grow up in beautiful natural surroundings, and at the same time we are never too far from locations where the pupils may benefit from cultural and intellectual experiences.

Here we inspire students to develop their own intellect, creativity and character to become independent, adaptable, socially responsible and global citizens by ensuring a dynamic, inquiry driven education of the highest standards.

Vision & Mission

To become a leading school known for providing a happy environment which encourages fearless intellectual, curiosity, learning through enthusiastic self discovery and inspires a love for integrity, compassion and life.

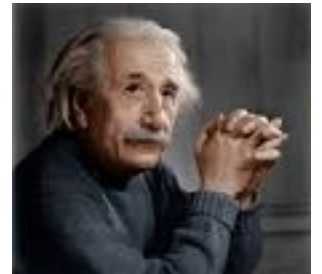

- To provide a caring, respectful and secure multicultural environment.
- To inspire students to accept challenges and enhance their own performance.
- To imbibe in the students a strong sense of personal, social and environmental responsibility.
- To use a comprehensive programme of varied instructional strategies and innovative techniques in technology towards academic and co-curricular excellence.
- To support a highly committed and creative faculty.
- To encourage a participative community of responsive and responsible parents, alumini and other stake holders.

Director's Message

To fulfill the ambition of our great ancestors, I wish to find such an ideal institution as may be able to produce the ideal citizen and noble men in always light house for the country. As Albert Einstein quoted once:

"I never teach my pupils, I only provide the conditions in which they can learn"

--- Albert Einstein

Education in any sphere always elevates the nation. So, It's mine ardent Hankering to prepare such grand personalities by the institution especially designed for the purpose. I express my heartiest blessing for the coming students to achieve the goal and fulfill my ambition, finally I implore to the almighty to make our children super human being to serve the mankind.

Principal's Message

In the age of technological advancement, scientific inventions and discoveries educational achievements in every sphere of life are requisite. I will leave no stone unturned to provide education by the methodology of the world. Finally I entreat the parents and the guardians of the students to see the teaching standard of the institution and provide their valuable suggestions.
